walked down to City Hall and Ed Moorehead was still there. Such a good worker he is. a great deal of paint scraping had been done & also the 6 half circle windows had been painted by Paul. JB & I looked around to make sure that all was in order & then we left. On the way up Main Street, John hailed his brother Harrison, who was riding around with his friend Steve. I was given a ride here and that was that. Very friendly and amusing ride up the hill with Harrison at the wheel.

Motorist Acquiring Important Information

I came in and re-grouped and withdrew for the evening, knowing that I would get up early and go down to the News and proof read my letter to the editor and also the Thatcher & Avery article.

 Sponsored by the Carbondale Historical Society

at this sale we made \$52.50; the ad shown above cost \$13.25 and so we netted \$39.25. Sue Stephens purchased six T-shirts - "Restore Carbondale City Hall" - for \$30.00 and has not yet paid her bill, and so we netted only \$9.25. I have asked her to pay her \$30 on several occasions & she has not done so. Sue Stephens (nee Barlow) has, I should add, never paid her membership fee in the Historical Society. Neither has Bob Tomaine.

Historical Society

Dear merchant/organization,

Thank you for purchasing and donating a trash receptacle lid. The lid which you have donated has been placed at

Memorial Park

We will appreciate it if you will keep an eye on this particular trash can and notify the City Manager if it is not being emptied or if it is being abused.

To pay for the lid, please make a check payable to "W. H. Coon Co." in the amount of \$27.50.

Mail the check to the Carbondale News. All checks will be forwarded to W. H. Coon Company.

Again, thank you for helping to keep Carbondale clean.

Sincerely,

Citizens for a cleaner Carbondale
